

24-25 October 2017
Sands Expo and Convention Centre
Marina Bay Sands, Singapore

About ACES

Asia Clean Energy Summit (ACES) is Asia's leading event focusing on clean energy technology, policy and finance supported by leading government agencies, research institutes and industry in Singapore.

ACES provide a common platform for thought leaders in both the public and private sector to collaborate on critical issues and opportunities in harnessing clean energy for the future. ACES shares Singapore vision to be a clean energy hub for Asia and provide a platform where innovative clean energy solutions are shared. ACES exhibition creates a marketplace for companies to showcase latest technologies and solutions.

What you will achieve

- **Generate** new business deals through clean energy finance
- **Market** your projects to potential buyers from around the world
- **Present** your services, technology solutions and products to a tailored audience
- **Learn** about upcoming trends in rapidly developing clean energy markets in Asia Pacific
- **Meet** with project developers, technology and service providers and other key players in the Asian clean energy market
- **Position** your organization at the very heart of the Asia-Pacific clean energy market
